Overview of Infrastructure Project Funding
This table provides a summary of the total contributions and eligible costs for the project

	Year 1	Year 2	Year 3	Year 4 +	Total
Contributions from eligible partners	\$0	\$0	\$0	\$0	\$0
Amount requested from the CFI	\$0	\$0	\$0	\$0	\$0
Total eligible costs	\$0	\$0	\$0	\$0	\$0
CFI request (% of total eligible costs per year)					
CFI request (cumulative % of total eligible costs)					

N.B. For any given year, the CFI request should not exceed 40% of the cumulative total eligible costs up to that year.

Summary of Funding from Eligible Partners
This table provides a breakdown of the total contributions from eligible partners by type of funding partner.
It also indicates whether the partner contributions are secured and/or expected.

	Cash	In-kind	Total	Secured and/or Expected
Institutions, trust funds or foundations	\$0	\$0	\$0	
Federal government (departments or agencies)	\$0	\$0	\$0	
Provincial governments (departments or agencies)	\$0	\$0	\$0	
Other governmental sources (municipal or foreign)	\$0	\$0	\$0	
Corporations/firms	\$0	\$0	\$0	
Voluntary organizations	\$0	\$0	\$0	
Other	\$0	\$0	\$0	
Total eligible contributions	\$0	\$0	\$0

Summary of Eligible Costs per Year						
This table provides the totals for each type of expenditure. The cost of individual items are detailed on page 3.						
Expenditure type code	Expenditure type	Year 1	Year 2	Year 3	Year 4+	Total
13	Purchase of equipment or facility (including shipping, taxes and installation)	\$0	\$0	\$0	\$0	\$0
14	Lease of equipment or facility	\$0	\$0	\$0	\$0	\$0
15	Personnel (for infrastructure acquisition & development)	\$0	\$0	\$0	\$0	\$0
16	Components	\$0	\$0	\$0	\$0	\$0
17	Travel (infrastructure related)	\$0	\$0	\$0	\$0	\$0
18	Software	\$0	\$0	\$0	\$0	\$0
19	Extended warranties / Service contracts	\$0	\$0	\$0	\$0	\$0
20	Construction or renovation costs (research / technology development related)	\$0	\$0	\$0	\$0	\$0
21	Initial training of infrastructure personnel	\$0	\$0	\$0	\$0	\$0
22	Other	\$0	\$0	\$0	\$0	\$0
Total eligible costs		\$0	\$0	\$0	\$0	\$0

Summary of Funding from Eligible Partners per Year						
This table provides a breakdown of the total contributions from eligible partners by year. The individual partner contributions are detailed on page 5.						
Partner type code	Partner type	Year 1	Year 2	Year 3	Year 4 +	Total
5	Institutions, trust funds or foundations	\$0	\$0	\$0	\$0	\$0
6	Federal government (departments or agencies)	\$0	\$0	\$0	\$0	\$0

Financial Resources for Operations and Maintenance

The following tables outline the annual costs and sources of support committed to ensuring effective operations and maintenance of the infrastructure for the first five years after implementation. They do not show research project costs. CFI Infrastructure Operating Funds (IOF), if any, are shown as Institutional contributions in the Funding Sources table.

Operations and Maintenance Budget Summary

Costs	Year 1	Year 2	Year 3	Year 4	Year 5	Total
Personnel	\$0	\$0	\$0	\$0	\$0	\$0
Supplies	\$0	\$0	\$0	\$0	\$0	\$0
Maintenance and repairs	\$0	\$0	\$0	\$0	\$0	\$0
Services	\$0	\$0	\$0	\$0	\$0	\$0
Other (specify) :	\$0	\$0	\$0	\$0	\$0	\$0

Details of Funding from Eligible Partners

The following table provides the details of funding from eligible partners. It does not include the amount requested from the CFI.

Partner reference no.	Partner name	Partner type	Cash	In-kind	Total	Secured and/or Expected
Total contributions from eligible partners			\$0	\$0	\$0	

Institution: The University of Winnipeg
Project title: Canadian Spallation Ultracold Neutron Source

Project no.: 19280

Partner Contributions Yet to be Secured

For applications for which some of the partner contributions are expected, but have yet to be secured, applicants were requested to indicate the plans for securing these funds.

Institution: The University of Winnipeg
Project title: Canadian Spallation Ultracold Neutron Source

Project no.: 19280

Infrastructure Utilization

The following table includes the percentage utilization of the infrastructure requested.

Category	Percentage of planned utilization
Research / technology development and associated training (eligible for CFI support) Education, excluding research /technology development training (not eligible for CFI support): Administration (not eligible for CFI support) Clinical or other service function (not eligible for CFI support) Other, specify:	
Total	0%

Applicants were requested to provide a breakdown of what expenses were included in each of the categories above. Should the infrastructure be used for non CFI-eligible purposes, they were to explain the methodology used to estimate the percentage of utilization in the different categories and how the budget was prorated.
